Notification No. 7110 –52-53 *P.S.C.* 34–52–9, *dated* 24*th November* 1952.

Canvassing for Appointments on behalf of Candidates.

Attention of candidates applying for posts in response to the notifications issued by the Commission from time to time is drawn to the following warning contained in these Notifications :—

"*Applicants are warned that any attempt at personal canvassing will result in disqualification.*"

In this connection, the Commission desires to observe that it has become the practice for some candidates or their well-wishers to seek interviews with the Members of the Commission prior to their selection apparently with the object of gaining the support of the Members of the Commission. Public men, including Members of the Legislature, have also sometimes tried to speak to the Members of the Commission on behalf of some candidates. The Chairman and Members have time and again made it clear to those who seek such interviews that such canvassing is more likely to go against the interests of the candidate than in his favour.

The Commission now desires to make it known to all who seek employment in Government Service and to their well-wishers that any attempt by them or on their behalf to bring influence to bear on any Member of the Commission either personally or by letter will be viewed with the utmost severity and that the Commission will not hesitate to take the extreme step of disqualifying such candidates.

It is earnestly hoped that the candidates and their well-wishers will give heed to this warning and thus enable the Commission to discharge its duties unhampered.
